

# HOW TO SET UP EXPANDING DISPLAY WALL

## PARTS INCLUDED

### 1 ATTACH THE FEET

Insert each upright into its base and secure the connection.

### 2 CONNECT THE CROSSBARS

Join the pole sections until the push buttons lock.

### 3 FIT THE GRAPHIC

Slide the crossbars through the top and bottom fabric pockets.

### 4 ATTACH THE CROSSBARS

Align the bar ends with the uprights and tighten the knobs.

### 5 ADJUST THE FRAME

Loosen the locking collars and extend the frame to fit the graphic.

### 6 SECURE THE DISPLAY

Tighten the collars and knobs. Keep the graphic smooth and the frame level.
