Due to the inherent nature of sublimation and heat transfer, we will do our best to match your requested imprint colors and the actual colors may vary slightly due to color perception and RGB product colors.

The sublimation colors shown will be identical to design provided except slight percentage of print imperfections. These imperfections may include small streaks, surface color variations.

The quality and clarity of any and every graphic submitted for printing is the responsibility of the client. Please ensure that the graphics submitted are in the correct file format and resolution for the most vibrant and accurate reproduction of sublimation.
